

Membership Report

Robert Boddington

AFG Membership Secretary

People are still looking for things to do during the lock downs periods and with 13 new members joining in the last month or so it seems that faceting is a popular choice.

With the renewal of memberships getting closer and the fact that the seminar has been cancelled this year members will need to think about how they are going to pay their renewals. Usually there are a hundred or more members paying for their renewals at the Seminar.

If you use PayPal you can renew on line on our web site. Go into your profile on the web site. About half way down the page you will see a red rectangle box. Click on this box and follow the prompts to your PayPal Account. If you want to pay by EFT, Cheque or Money Order you can print out this invoice and send it with your payment to me. You can pay by cash but not recommended through the post. If using Electric Fund Transfer please include some id in the transfer eg. Your name, Membership No, Phone number or post code. I can track the deposit from this information. Our membership has increased to 826 members world wide.

All of the banking information is on page 35 of FT 233 for your convenience.
